

# The Special School

Team name : The Errors

PSID- RK784

ORG- Department of School Education & Literacy (DoSEL), Ministry of Education

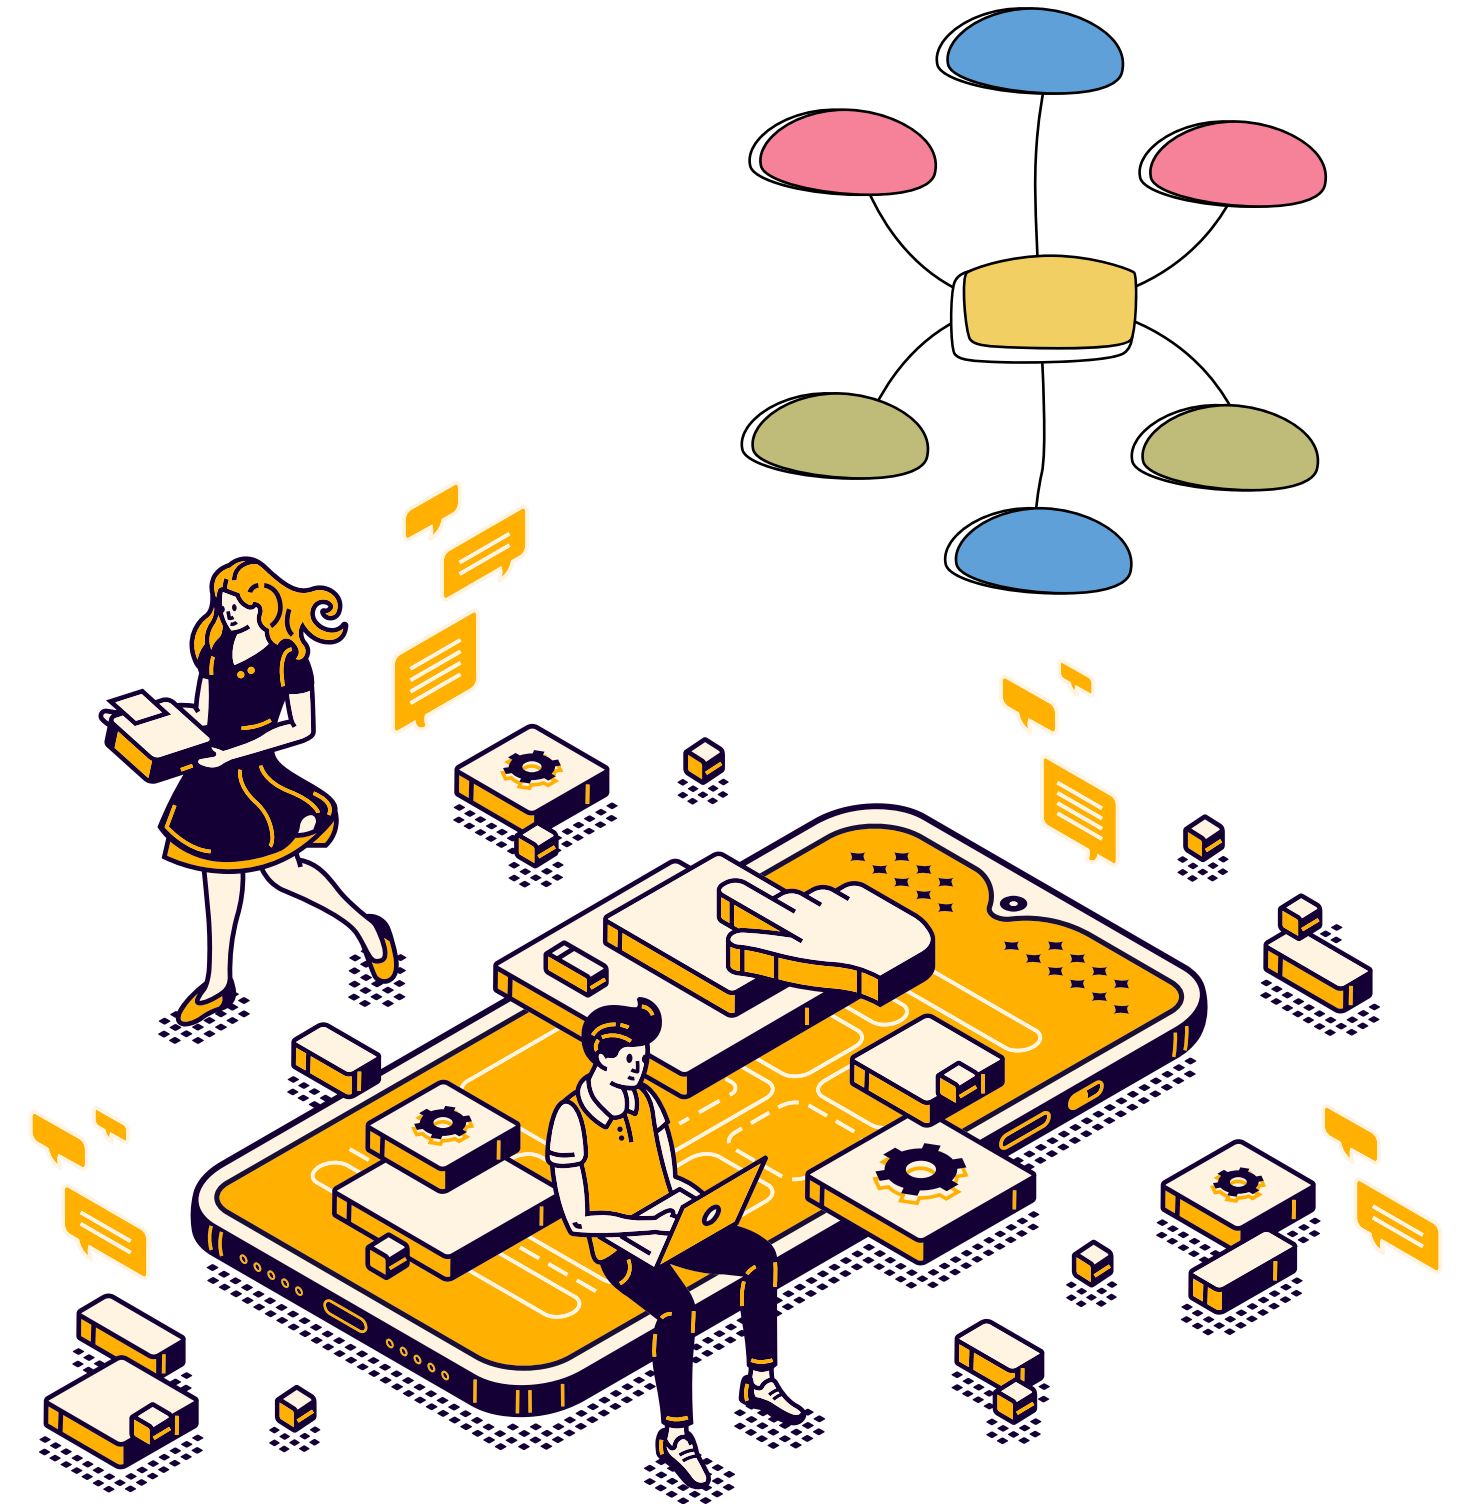

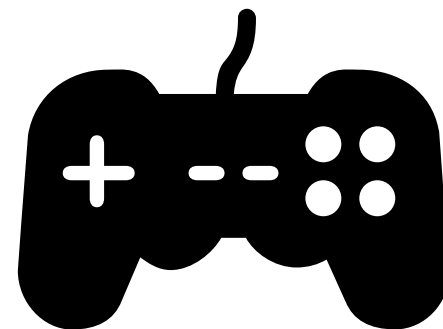

# Problem

- These students have different needs and need proper care and education
- The comprehension power is not enough for students to understand everything
- India grudgingly hosts 7.8 million children with disability i.e, 14.4%
- According to a report, 75% of children with disabilities don't attend schools in India

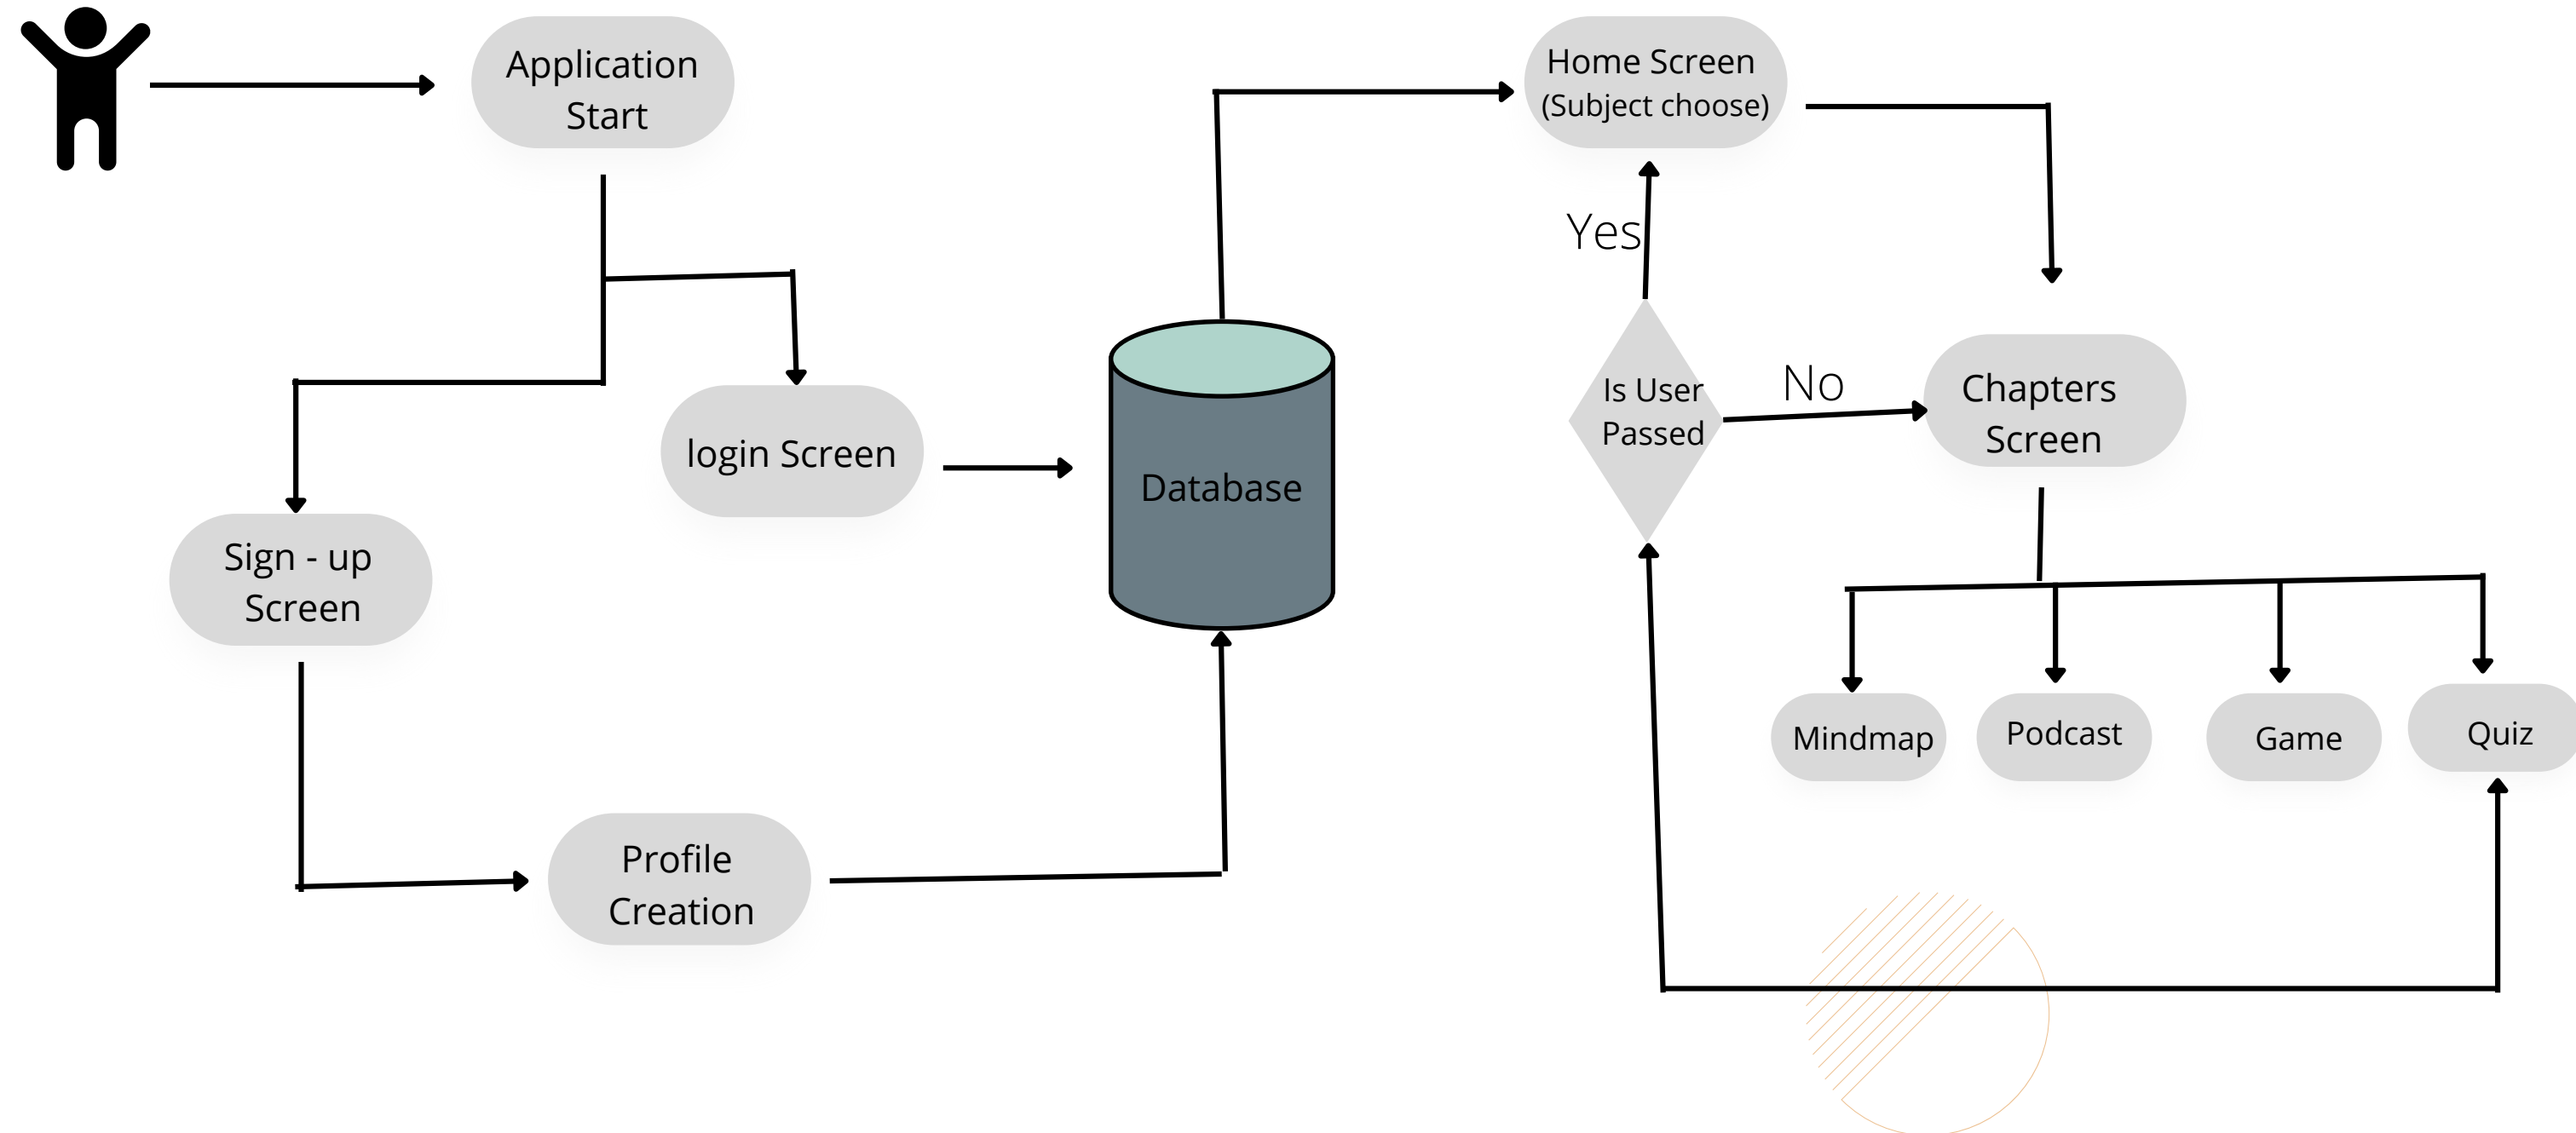

# Solution

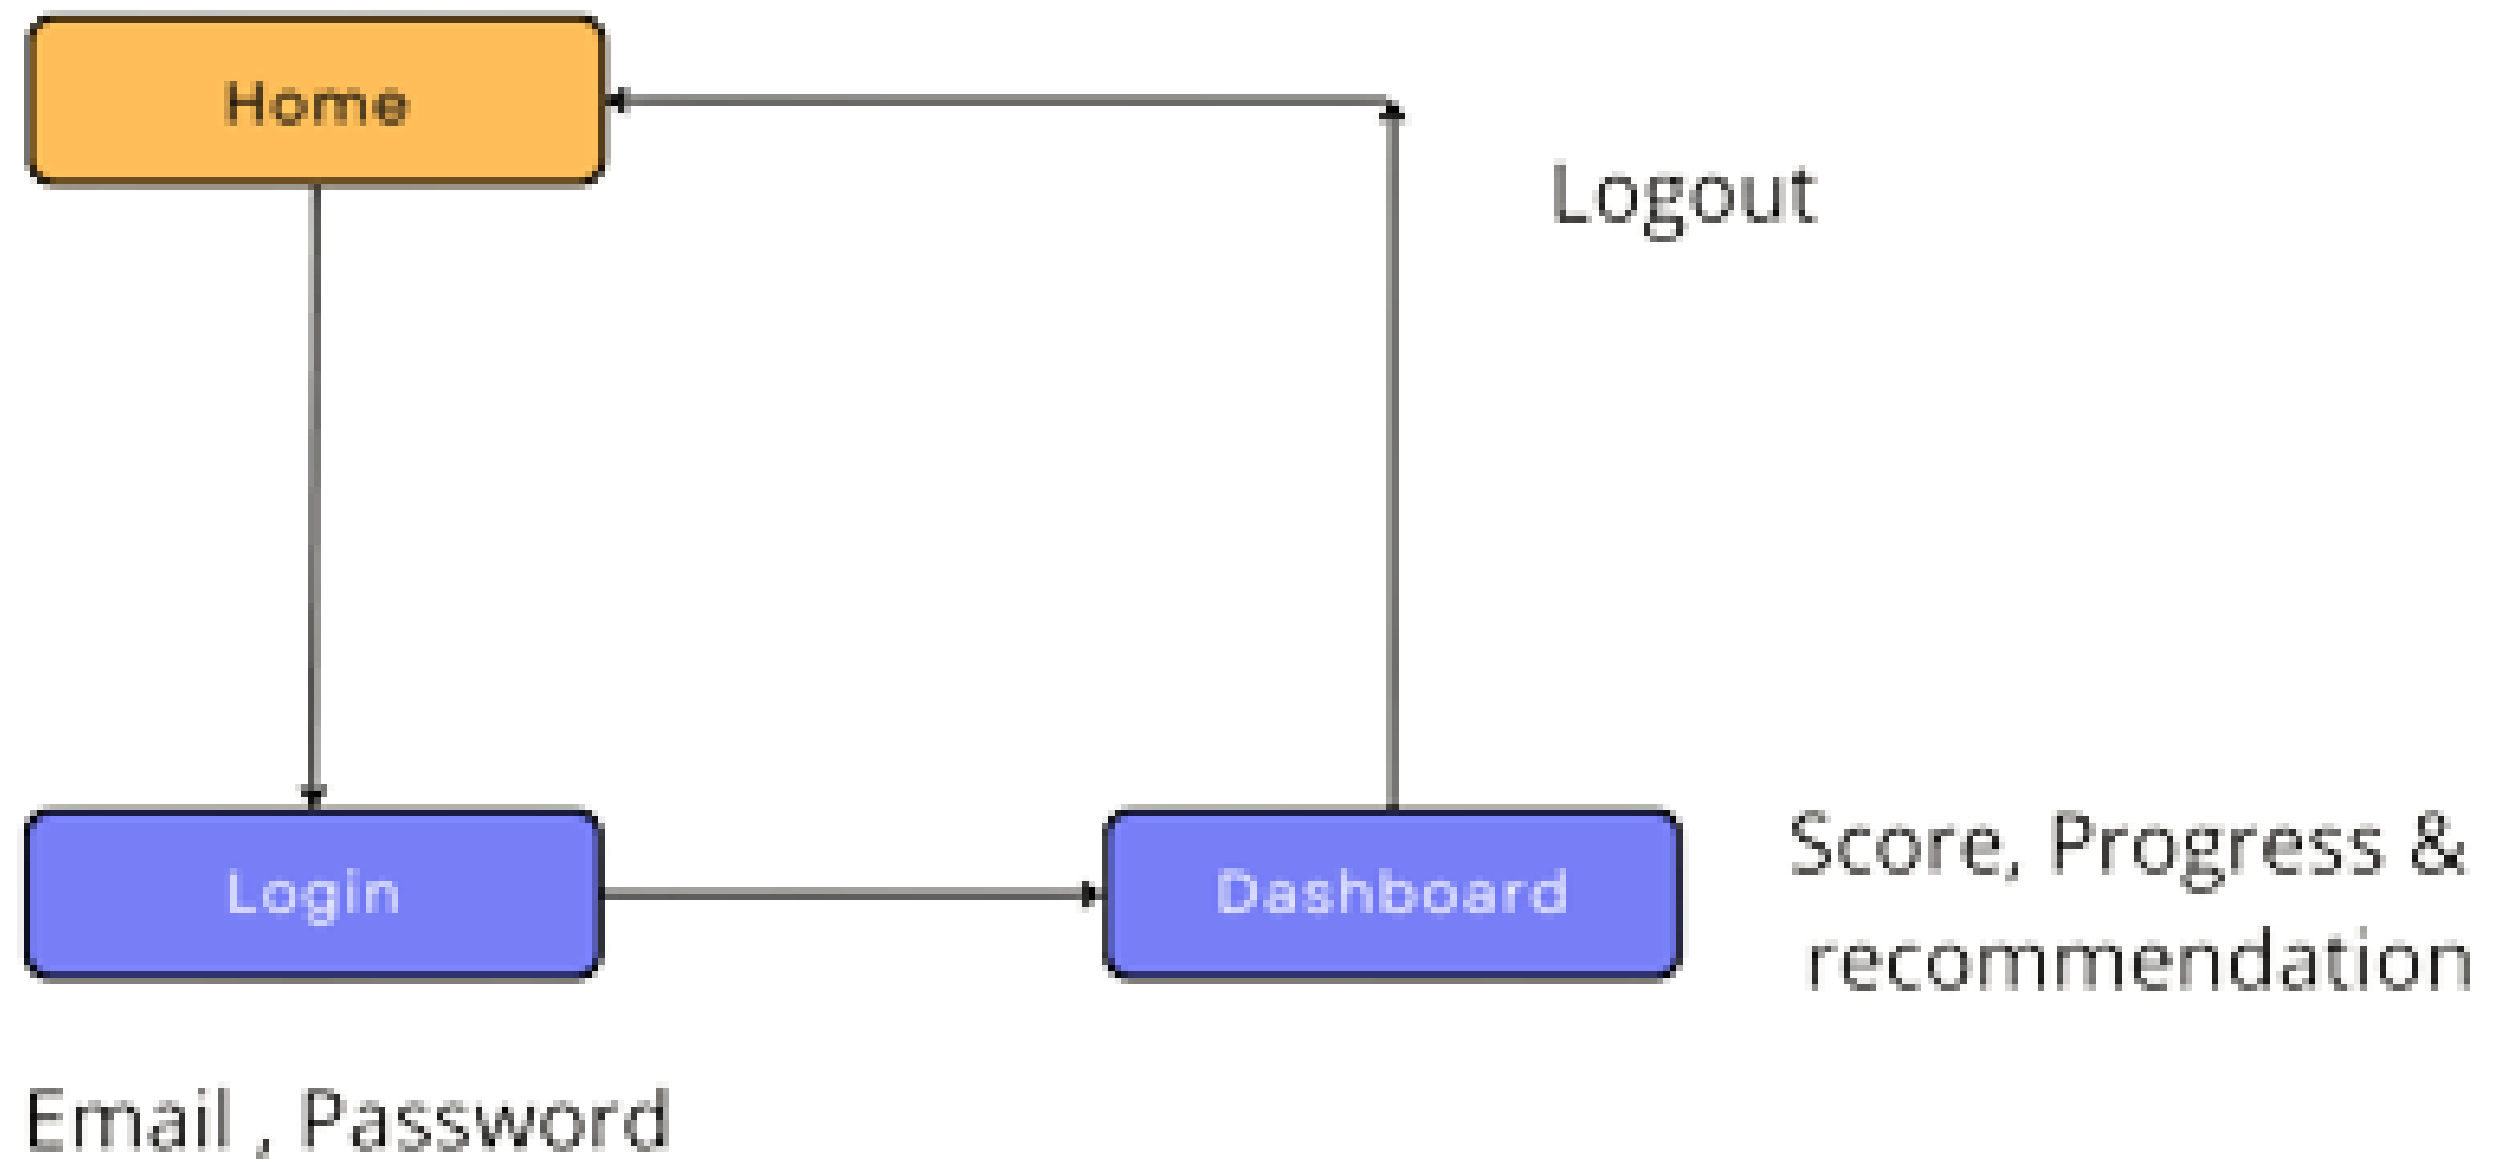

- 01 Mobile based application with assistive technology
- 02 Using Animation , Games, Mind maps & podcasts
- 03 Content designed according to NCERT syllabus connecting student's feelings and emotions
